

Babylon Takes Over Again

Chapter 17

To help your child remember the story of Nebuchadnezzar, make this pocket for your labpbook. Paste the title to the front. Cut out the pictures that depict different parts of the story, talk about them before putting them into the lapbook pocket. Images are: Nebuchadnezzar as an animal, the mountains of Persia, Nebuchadnezzar feeling as a god, The Hanging Gardens of Babylon, Princess Amytis of Persia, Ishtar Gate of Babylon, The city of Babylon, and a map of the expanded empire of Babylon.

Cut out both circles, keeping tabs attached. Cut top off front circle, across dotted line. Wrap and glue tabs around back circle. Glue to lapbook.
